

The Town of Blacksburg received grant funding from the EPA's Resource Conservation program to increase awareness and change behavior about recycling fluorescent lamps, batteries, and electronics. Please take our short survey to help us determine the effectiveness of these programs and identify areas for improvement.

Take the survey at

[www.blacksburg.gov/recycling](http://www.blacksburg.gov/recycling)

or call (540) 961-1806 and enter to win  
one of several prizes valued between \$50-\$100!

Businesses can become a drop off site for residents to recycle alkaline and rechargeable batteries, CFLs, and ink cartridges. Thanks to the following program participants:

**Awful Arthur's • Blue Ridge Real Estate • Campus Emporium  
Capone's Fine Jewelry • Champs • CMG Leasing • Colley Architects  
Downtown Merchants of Blacksburg • For the Birds • Fringe Benefit  
Fun-n-Games • Hokie Spokes • Homebody • Mish Mish  
Pee Wee's Pit BBQ • She-Sha Lounge • Wireless Zone • Xanadu**
